CEILING MOUNTED LAMINAR FLOW SYSTEM

Ceiling Mounted Laminar Flow makes an integral application in Operation Theaters. Hospitals search for top quality Ceiling Mounted Laminar Flows to ensure ultra clean sterile HEPA filtered Class 100 first air into OTs where highly sensitive activities take place.

Features of Shreya Medical System Ceiling Mounted Laminar Flow:

- The best quality raw material
- Advanced manufacturing technology
- Perfect sterilization of air
- Equipped with HEPA filters with different performances

Sales & Service of Modular OT, MGPS and Total Hospital Furniture

OPERATION THEATRE CONTROL PANEL

Operation Theater Control Panels are used to help the hospitals meet electricity safety codes by controlling high & low voltage systems. The 'Membrane' type OT control panel is configured to incorporate all the service required in an operation theatre.

Features of our Operation Theatre Control Panels:

- The medical gas alarm panel
- HEPA filter stands module
- Room pressure indicator
- Temperature and Humidity control

X RAY VIEWING SCREEN

X-ray viewing Screen is one of the basic requirements of any hospital or nursing home. This special screen is used to view the x-ray print clearly to detect the actual problem. For a better display of the x-ray, this viewing screen presented by Shreya Medical System has no match in quality and outcome. This is not just an ordinary x-ray viewing screen or board; this is an example of the growth of technology.

Sales & Service of Modular OT, MGPS and Total Hospital Furniture

SURGICAL SCRUB STATIONS

Shreya Medical System presents a wide range of compact surgical scrub stations or sink, which are specially designed for the use in Operation Theater. Its ease and convenience provide a most comfortable use to surgeons for pre-OT scrub up. We provide seamless and stainless construction along with the use of heavy gauge type 304 high-quality steel. Our surgical scrub stations or sinks provide front access, with the removable panel to control the value of water.

We understand the value of the work of OT, that's why as a surgical scrub stations manufacturer; we have designed hand free operation that includes infrared sensors, with adjustable benefit.

STORAGE UNIT

The storage units play an important role in each hospital. These units need to be very strong and safe as per security terms decided for the medical industry. At Shreya Medical System, we provide hospital storage unit that is made of 1.50 mm thick EGP zinc coated stainless steel panel. We use high-pressure lamination technique for better finish and durability of the shiny presentation.

High-quality glass doors, glass racks and standard locking system for perfect security make our storage units highly secured.

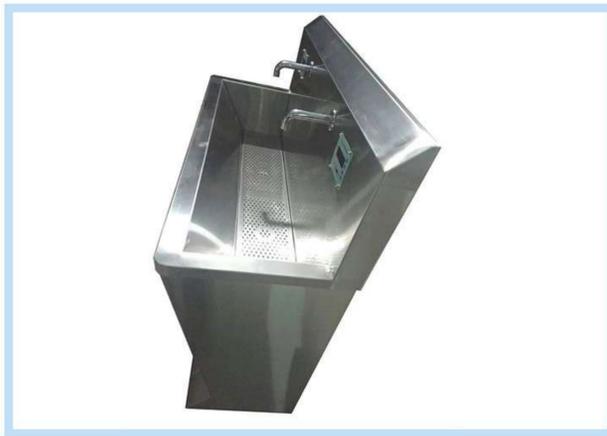

Sales & Service of Modular OT, MGPS and Total Hospital Furniture

WWW.SHREYAMODULAROT.CO.IN

Mini Scrub Station

The time has changed and the modular operation theatres are the demand of each hospital. We at Shreya Medical System are dedicated to provide the best technological products for modular operation theatres. We also provide a wide range of supreme quality mini scrub stations for each section of the hospital, for example, modular OT, ICU, wards, and other required areas.

ICU Track & Curtains

Shreya Medical System presents the best medical equipment for the industry. In functioning, quality, durability, and pricing there is no match for equipment supplied by us. The days of the old styling of ICU track and curtains are over. Keeping pace with the changing demands of hospitals, we now manufacture and provide the innovative ICU track and curtains.

As the technology and science have done great progress, our health care industries are also improving their work system for better performance.

Sales & Service of Modular OT, MGPS and Total Hospital Furniture

WWW.SHREYAMODULAROT.CO.IN

PRESSURE RELIEF DAMPERS

These dampers are back draft air damper that come along with the adjustable start-open pressure.

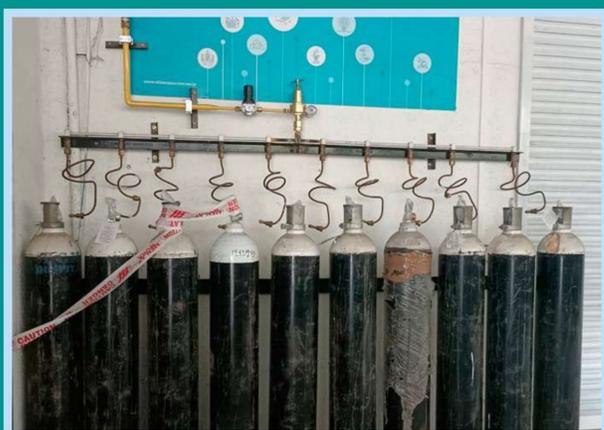

These dampers are used to prevent contamination of air from clean as well as dirty areas.

We offer the perfectly suitable size air pressure relief dampers and place them strategically to enable the room pressure of two different rooms when the doors are open between the dirty and clean areas.

We offer stabilizers along with these dampers that are unique in capability. It can control differential pressure to close tolerance.

MEDICAL GAS PIPELINE SYSTEMS

Medical gases used in healthcare sectors are actually a life support element. These gases are so helpful in saving the life of patients in critical condition by maintaining the direct influence. The medical gas pipeline system is used to give a route and regulate the medical gases.

Sales & Service of Modular OT, MGPS and Total Hospital Furniture

Sealed Clean Room Light

Sealed clean room lights are an initial product for healthcare sectors. These Sealed clean room lights are designed with standard quality materials and under a strict supervision of experienced and skilled engineers.

Shreya Medical System is a leading sealed clean room light manufacturer in India. We have been into the industry for decades and have been providing a comprehensive range of these special sealed room lights. We follow a strict production process and quality checks to offer only the best products.

OPERATING LIST BOARD

Operating list board is a necessary product in OT and nursing rooms. This list board works as an instructor to guide surgeons step by step for the entire procedure to avoid mistakes. These boards are known for improving the operation performance and reducing the chances of mistakes during a major operation in a shorter time period.

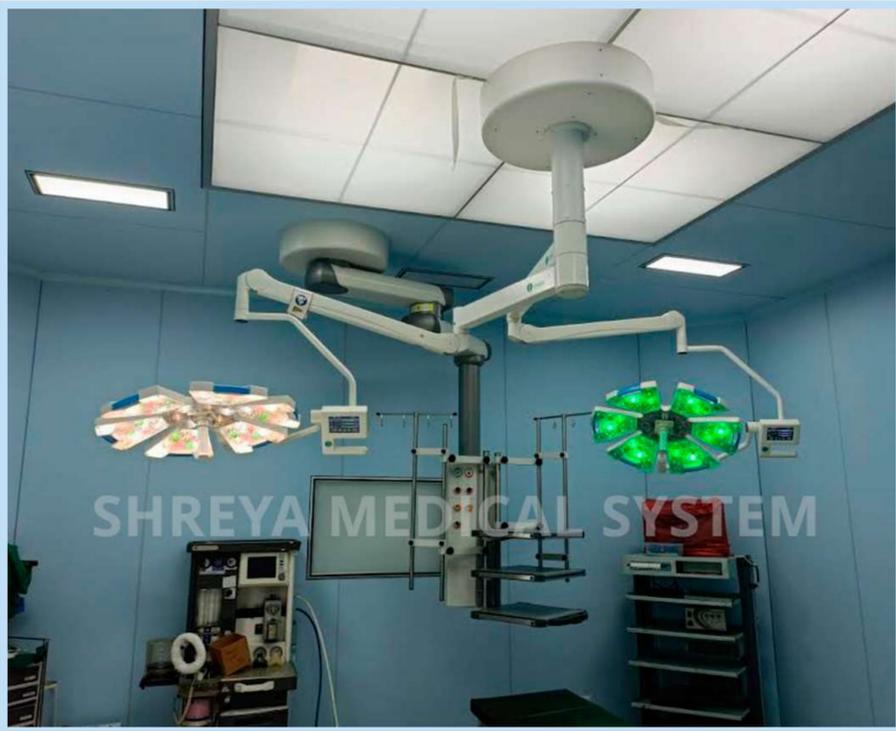

There are several operating list board manufacturers available in the market, but the modular healthcare system is the best operating list board manufacturer and suppliers. Modular Healthcare Systems present operating list boards, flushed to the wall of an operating room.

Sales & Service of Modular OT, MGPS and Total Hospital Furniture

WWW.SHREYAMODULAROT.CO.IN

OT LIGHTS

Operation theatre lights are also known as surgical lights. This medical device is so helpful in assisting the surgeons during operating patients. By illuminating an area or the cavity of the patients it makes the task of surgery easy, comfortable and perfectly done. OT lights are very important for operation theaters and its use is compulsory also.

As the OT lights manufacturer, Shreya Medical System have been serving the medical industry for years by giving a tough competition to other healthcare systems providers.

STAINLESS STEEL SWING DOOR

Modular Healthcare System is a leading stainless steel swing door manufacturer and supplier. We provide these doors in a variety of sizes, shapes, and high-level specifications. We have designed these doors to perform like a perfect fitment for modular operation theaters and also to meet with all type of requirements of our valuable clients.

Sales & Service of Modular OT, MGPS and Total Hospital Furniture

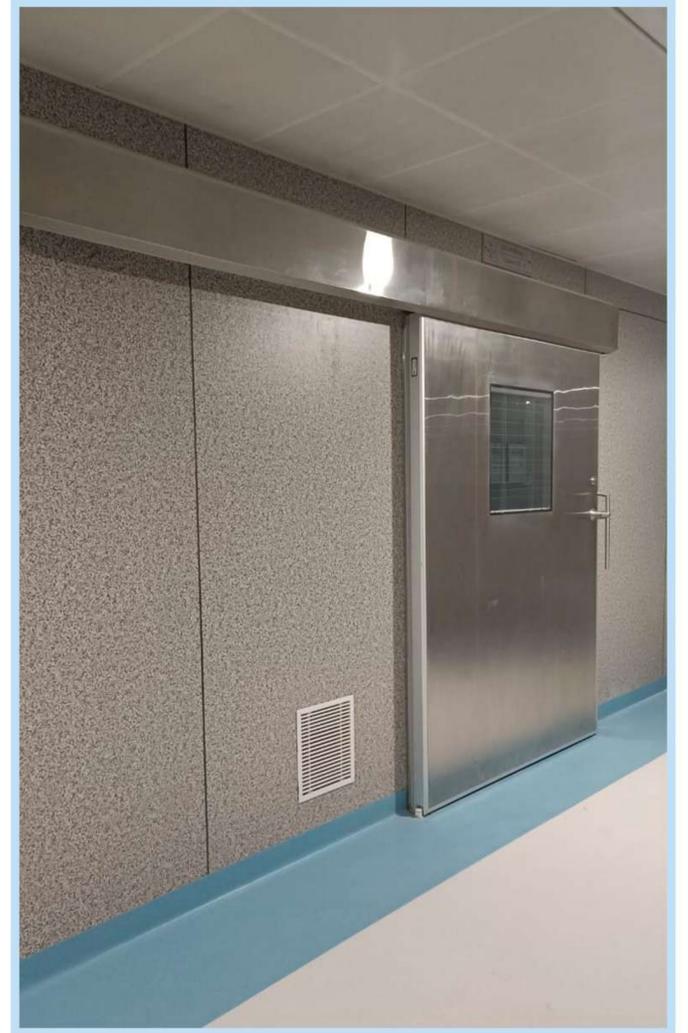

WWW.SHREYAMODULAROT.CO.IN

HERMETICALLY SEALED SLIDING DOORS

Hermetically Sealed Sliding Doors for hospitals are specially designed to ensure hygiene and to control air leakage.

Shreya Medical System is one of the leading Hermetically Sealed Sliding Doors manufacturers in India. We have been manufacturing and exporting a wide range of hospital equipment that also includes hermetically sealed sliding doors.

VINYL FLOORING

Hospital flooring requirements are generally different from other commercial buildings. Rather than shiny and beautiful looking flooring options, hospitals look for vinyl flooring that is safe, durable, cost-effectively, easy to clean and aesthetically pleasing. These floors are made from high-quality PVC making them the first choice of the healthcare industry.

Sales & Service of Modular OT, MGPS and Total Hospital Furniture

WWW.SHREYAMODULAROT.CO.IN

HOSPITAL VIEW WINDOW

Hospital view window manufacturing is different from regular windows and needs special expertise. From the size of the window to the thickness of the glass, everything needs to be paid due attention to make a perfect hospital view window and only an experienced manufacturer like Modular Healthcare System can accomplish this task.

Bed Head Panel

As the bed head panel manufacturer, Modular Healthcare System have been serving the medical industry for years by giving a tough competition to other healthcare systems providers.

Sales & Service of Modular OT, MGPS and Total Hospital Furniture

OT Tables

As the OT Tables manufacturer, Shreya Medical System have been serving the medical industry for years by giving a tough competition to other healthcare systems providers.

Surgical Pendants

We make sure to manufacture our ICU pendants with the best quality of aluminium and dye it with the high pressure of electrostatic powder that provides it with proper hygiene.

Sales & Service of Modular OT, MGPS and Total Hospital Furniture

Air Handling Unit

As the Air Handling Unit manufacturer, Shreya Medical System have been serving the medical industry for years by giving a tough competition to other healthcare systems providers.

Pass Box

A pass box is compulsory for each operation theater as these are so important. For each operation theater, at least one pass box is required. Pass box is also known as pass box as these boxes are used to remove the waste from the operation theater. Our pass box comes along with two doors and both the doors are electronically operatable.

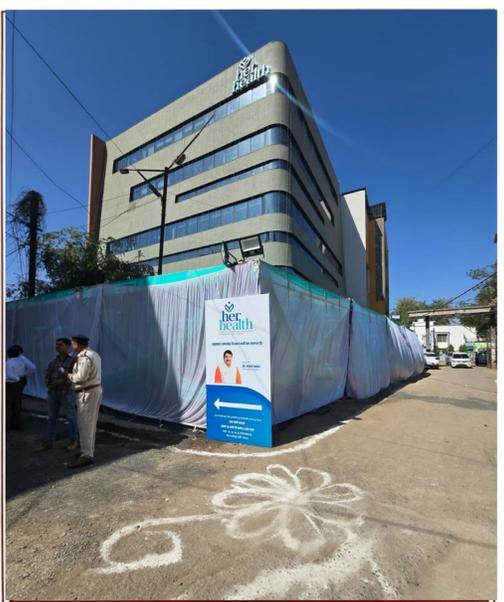

Sales & Service of Modular OT, MGPS and Total Hospital Furniture
